

INTRODUCING THE FIRST ABRASION-RESISTANT ACRYLIC SHEET WITH DRY ERASE AND DIRECT PRINT CAPABILITIES

Parallax, an industry leader in comprehensive graphic displays, now offers a custom dry erasable acrylic sheet with an abrasion and chemical resistant coating, that outperforms any other dry erase solution on the market. This solution is perfect for contemporary marker board designs and many anti graffiti applications. Available custom printed or unbranded, magnetic or non-magnetic and easily fabricated into any shape; design options are endless.

INNOVATIVE DIRECT PRINT TECHNOLOGY + ANTI-GRAFFITI MARKERBOARD CAPABILITIES + MAGNETIC OPTION

- Create contemporary installations showcasing brand, imagery, or art
- Can be framed or unframed as wall mounted or stand alone pieces
- Can be produced to any size or shape
- Abrasion and chemical resistance on one side, enhanced UV ink adhesion properties on the other
- Cleans easily and maintains durability for years of continued use
- No residual ghosting, smearing, or staining
- Ideal for office, entertainment venues, and high-traffic environments
- Lightweight and safer alternative for high-traffic areas without sacrificing appearance
- 10-20 times more impact resistant than glass
- Unprinted/unbranded options available in clear, opaque white, and black
- Visibly more elegant than standard whiteboards and alternative substrates
