

# PALBOARD is an innovative PVC sheet THAT'S LIKE NO OTHER

3D Structures • Interior & Exterior Signage • Exhibits & Kiosks  
POP/Retail • Displays • Wall Graphics

PALBOARD is **easy to create 3D structures**, with v-groove cuts. PALBOARD provides excellent **strength and resistance**, making it the ideal solution for your retail signs, POP displays, exhibits, and more.

## STRONG

PALBOARD's multi-layer sheet comes with either black or white dense foam core. Its uniform surfaces are bright white allowing for the most **vibrant color reproduction**.

## HIGH PERFORMANCE

## UNLIMITED 3D OPTIONS

- 100% recyclable & lightweight PVC
- Excellent fire ratings
- Waterproof and easy to clean
- Excellent chemical resistance
